

## Accessing Testing Profiles

Log into the UIC Testing Services Maintenance Pages via Bluestem using the following link:  
[https://imso.admin.uillinois.edu/UIC\\_Testing\\_Maint/Testing\\_maint1.asp](https://imso.admin.uillinois.edu/UIC_Testing_Maint/Testing_maint1.asp)

The Options displayed on the Main Menu may vary depending on your access profile.  
Select **Testing Profiles**.

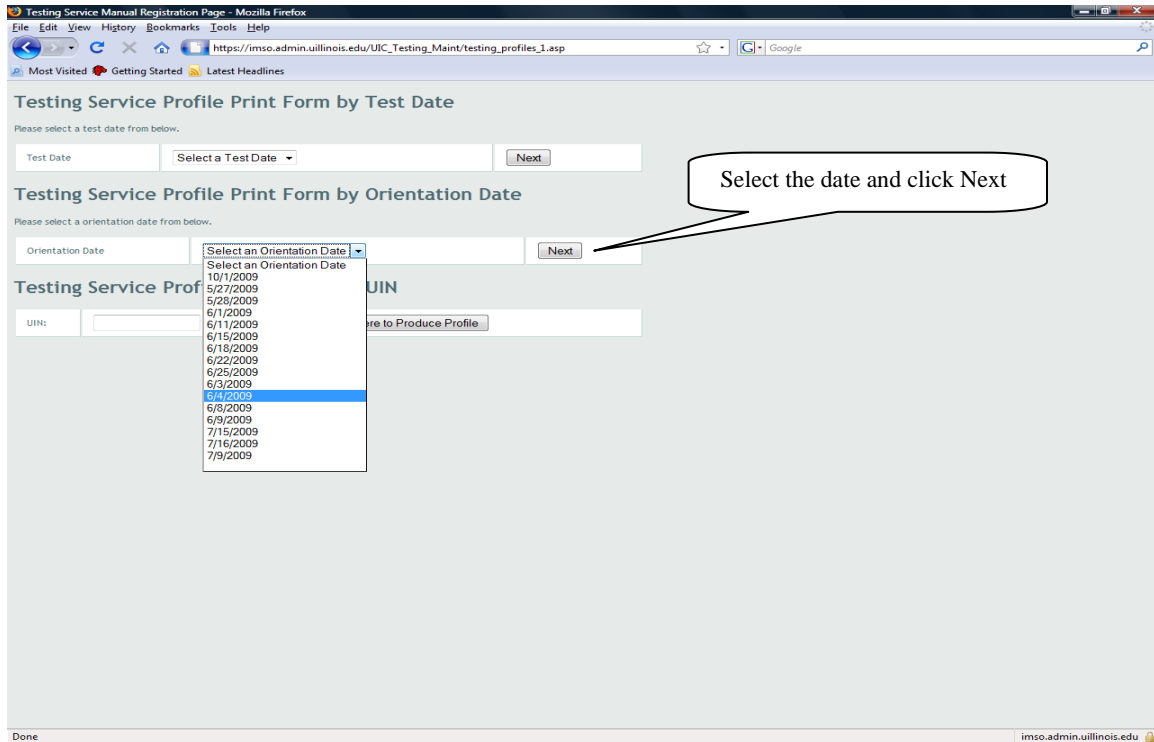

**NOTE** – use the Browser Back button to navigate back to the Main Menu or to select another date.

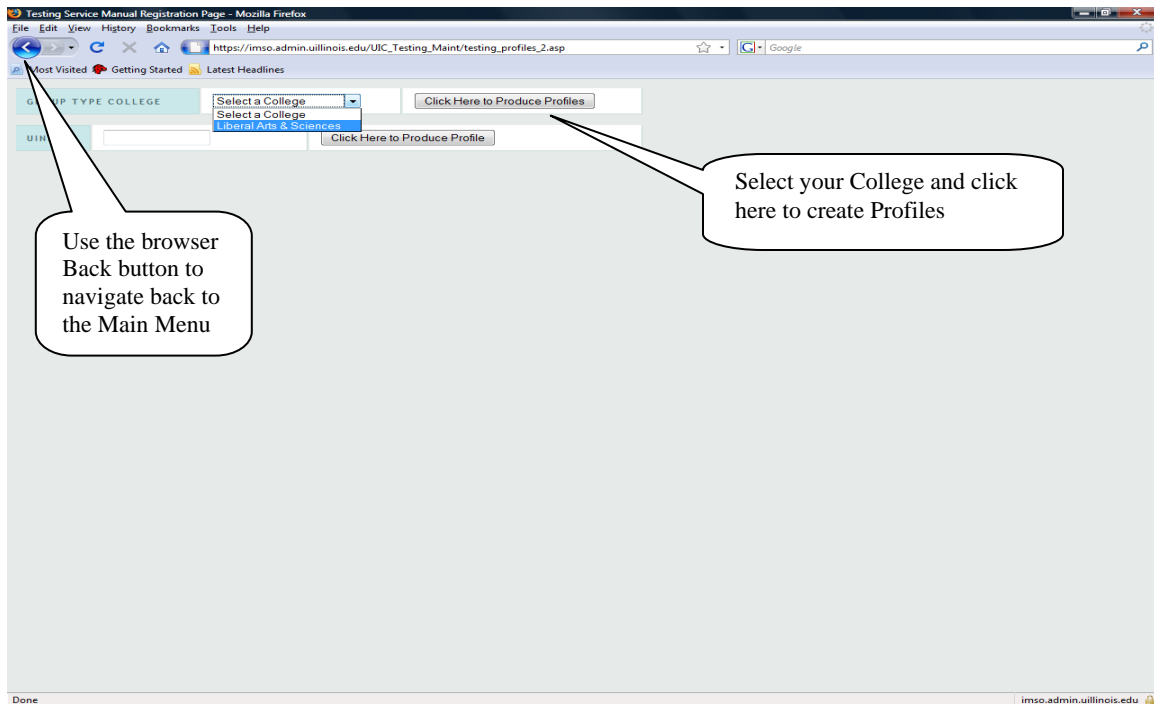

You can select profiles by **Test Date**, **Orientation Date** or for an individual **UIN**.

**NOTE** – selecting profiles by Test Date and Orientation Date will only return profiles of students in your college. You are not restricted to your college if selecting by individual UIN.

### Create profiles by **Orientation Date** or **Test Date**

### Select your **College** and click “Click Here to Produce Profiles”

Testing Profiles display in alphabetical sequence by Last Name and are divided into the following sections:

- **General Information** – includes – Name, Term, Status, UIN, College, Major, and Educational Goal, Special Programs, and High School Class Rank
- **Act Test Score Information** – the maximum individual scores are displayed
- **Placement Test results** by category: Mathematics, College Writing Skills, College Academic Skills, Chemistry, and Foreign Language
