A number of schedules will appear. To view schedules you can roll over the magnifying glass.

Comparing Schedules

The screenshot shows a software interface for comparing schedules. At the top, there is a blue bar with a 'Compare' button and a message: 'Select at least two schedules to compare side by side'. To the right of this bar are two tabs labeled '#1' and '#2'. Below the bar, there is a list of two views. Each view has a magnifying glass icon, a checkbox, and a title: 'View 1' with title 'Travel Time, CHEM-101-CS3, CHEM-101-CS4' and 'View 2' with title 'Travel Time, CHEM-101-CS4, CHEM-101-CS3'. Red arrows point to the 'Compare' button and the checkboxes of both views. A purple arrow points to the 'View 2' label. To the right of the list are two side-by-side schedule grids. Each grid has a header with days of the week (M, T, W, Th, F) and a vertical axis with time slots from 8am to 7pm. The grids show colored bars representing schedule activities. Below each grid is a button labeled 'Open #1' and 'Open #2'. At the bottom center is a 'Close' button.

Compare Schedules by selecting the checkbox and clicking compare. Click on View () to select a schedule.
